

GENERAL SCHOLARSHIP INFORMATION 2017

1. The Blue Diamond Growers Scholarship has been established for promising young students from California who plan to attend, or are attending, a college offering at least a **four-year degree** in Agriculture. Students transferring from a Community or Junior College to a four-year university program are also eligible.
2. To be considered, the student must be from an almond producing area of California and must have the intent to be a full-time student in a four-year college and have a major in selected fields of agriculture.
3. Candidates who are High School graduates, but have not yet enrolled in a four year university should have achieved a 3.3 or higher grade point average during their high school career.
4. Candidates currently enrolled in a four year university should also have achieved a 3.3 or higher grade point average during their college enrollment.
5. The Selection Committee must receive both high school and all college transcripts if applicable, indicating the cumulative GPA. Please include official sealed transcripts with your application. Please submit your completed application to:

BDG Foundation / Scholarship Committee
PO Box 1768
Sacramento, CA 95811
6. Only fully completed application forms will be accepted. Applications should be typed, legibly handwritten or computer generated by the applicant. Please enclose one personal photograph with your application for potential use in publications - must be an original print or on photo paper; normal printer paper is not high enough quality.
7. Please submit two recommendations from non-relatives. One of the recommendations must come from a person outside the teaching profession.
8. Recipients of the Blue Diamond Growers Foundation Scholarship will be selected by a Scholarship Committee which has been appointed by the Board of Directors of the Blue Diamond Growers. Selection will be based solely on the student's application and personal recommendations.
9. Selection criteria include:
 - a. Scholastic Achievement.
 - b. Leadership Qualities such as participation in 4-H, FFA, church, clubs, student government and civic organizations.
 - c. Financial need.
 - d. Strong consideration will be given to applicants in the almond growing areas of California who the committee believes will have an excellent chance of returning to a vocation in production agriculture, processing or marketing of agricultural products, or agricultural education.
10. Applications from previous award winners will not be accepted.
11. It is the responsibility of the applicant to assure that all information arrives by the deadline.
12. Application deadline is **March 31, 2017**. Applications must be postmarked by this date to qualify.
No Exceptions Will Be Made.

GENERAL INFORMATION

- If granted a scholarship, the student must submit proof of enrollment to Blue Diamond Growers Foundation Scholarship Committee. This can come directly from school or submit copy of class schedule which can be verified. Submit verification to:
Blue Diamond Growers Foundation Scholarship Committee
PO Box 1768
Sacramento, CA 95811
- Scholarship award will be sent directly to student.
- The committee will give an additional 5 points out of 100 to an applicant who is a son or daughter of a Blue Diamond Growers member. Student must meet all selection criteria and submit a completed application within the listed time frame. No exceptions.
- Scholarships are intended for students attending a four year university. However, scholarship winners who are diverted to a two year, community or junior college program may still be eligible, depending on the circumstances. Winners should submit the reasons for the change to a two year college for committee review. The committee may opt to hold funds until student is enrolled in a four year university program.
- The almond growing region of California is defined by the following counties: Tehama, Butte, Glenn, Colusa, Yolo, Yuba, San Joaquin, Stanislaus, Merced, Madera, Fresno, Kings, Tulare and Kern.
- Preference will be given to students selecting areas in plant sciences, ag engineering, ag economics, or subjects with relevance to almond production. Include your vision as to how your studies may impact the California Almond Industry.
- This is not a personal interview scholarship, but the committee reserves the right to contact references and school to verify student's information.
