

What do I need to apply for Blue Diamond Growers Advancing Markets for Producers (AMP) Grant?

To participate in the Blue Diamond Growers AMP Grant, you will be asked to provide information you may not readily have available. We recommend you gather the items listed on the table below before you start your application:

Required Application Items/Information You May Need to Obtain	
Blue Diamond Growers Information	• BDG Contract Numbers (for participating orchards)
	• AMP Grant Practice(s) to be implemented
	• Desired orchard acreage per practice
OSIP Participation Proof	• 2024 CASP Assessment Progress Report
Farm Service Agency (FSA) Information	• FSA Maps for orchards seeking participation
	• FSA Subsidiary Print

How and where do I obtain this Information?

Blue Diamond Growers Information

For information specific to your contract numbers, Regional Manager, District, or any other related items, please contact your regional manager or e-mail Jasdeep Bains at jbains@bdgrowers.com

Orchard Stewardship Incentive Program (OSIP) Participation

1. OSIP is required to have been completed for the 2024 crop year (OSIP application period is closed). The OSIP requirements can be found on the Blue Diamond webpage: www.bluediamondgrowers.com/forms
 - If you completed OSIP for 2024, you have already completed the CASP Assessment Report. The CASP Assessment Report must be uploaded as part of the Blue Diamond AMP Grant application.

Farm Service Agency (FSA) Information

You will need to acquire your FSA documents from your local FSA Office. To locate the nearest office, use the USDA Locator tool here: <https://offices.sc.egov.usda.gov/locator/app?state=ca&agency=fsa>.

1. FSA Producer Subsidiary Print
 - This file should be obtained from your local FSA office.
2. FSA Farm Map(s)
 - Maps should be obtained from your local FSA office.
 - Maps should clearly show the Farm ID, Tract ID and Field ID with associated acreages.

Please contact Jasdeep Bains, jbains@bdgrowers.com for questions related to the AMP Grant.
