## **Overview of Participation on Blue Diamond Growers Board of Directors**

Those considering running for a director position should understand there is a significant time commitment for the three-year position. Overnight stays due to day-long board and committee meetings typically occur five times each year. Directors also participate on various committees of the Board which typically occur the day before a board meeting. In addition, attendance at Grower Liaison Committee (twice a year) and Advisory Committee (once a year) meetings is common practice. Additionally, the board and management have an annual three-day strategic planning session. Invitations to represent Blue Diamond at political fundraisers and other events/meetings also commonly occur. Preparation time for board and committee meetings and the travel time to meetings and events needs to be considered. Blue Diamond reimburses travel and lodging expenses.

### **Directors should:**

- Act in a manner consistent with their fiduciary duties of loyalty and care.
- Demonstrate integrity and independent judgment, including the ability to understand and exercise sound judgment on issues related to the corporation's goals.
- Have business or professional skills and experience that will contribute to the effectiveness of the Board and its committees.
- Intend to foster long-term value for the corporation's members.
- Act in the interests of all members rather than any particular member constituency, while understanding and balancing the concerns of other stakeholders, including employees, customers, and communities.
- Be willing to challenge management constructively about corporate strategy, the adequacy of internal resources and the soundness of controls, and to insist upon a management tone and environment that values accuracy in accounting, transparency in reporting and integrity in business conduct.
- Be able to work as part of a team in an environment of trust.
- In light of their other commitments, be willing and able to devote the time and effort necessary to serve as an effective director, including preparation for board and committee meetings.
